

Utilizing UMTSS Critical Tools

- To be used in conjunction with the UMTSS scope & sequence.

- SET
- R-SET
- PET-R
- Teacher Observations
- Teacher Evaluations

- Practice Profile
- EBPD Rubric
- Long Term PD Plans
- Short Term PD Plans

1

Does the LEA have the infrastructure to support MTSS?

2

Is there a building leadership team that meets regularly and uses student data for problem solving?

3

Are the teams receiving evidence-based professional development?

4

Are there systems coaches & instructional coaches in place to support implementation?

5

Are evidence based practices being implemented with fidelity (School-wide & classroom)?
